TECHNICAL SKILLS

Professional: Microsoft Excel, Google Sheets, Jotform lead exports, dashboards and scorecards. **Academic coursework (USF):** SQL, Tableau, SPSS, Qualtrics.

PROFESSIONAL EXPERIENCE

Field Marketing & Experiential Events Manager — Jun 2022 – Jul 2026

WOW! Internet

- Forecasted attendance and lead volume for individual events and annual budgets across 91 annual activations.
- Decided which events to attend by weighing opportunities against WOW!'s service footprint, and set inventory for each event.
- Submitted post-event performance to dashboards and scorecards, tracking cost-per-lead (as low as $154.32) to prioritize investment.
- Compared results across giveaways, locations, and event types and shifted spend toward the strongest performers.
- Grew lead volume 44% (1,384 to 1,986) through partner-channel activation, gift-card and premium-driven lead capture, and audience data validation; followed up on Jotform lead exports and handed unworked leads to the sales team.
- Owned a combined $82K sponsorship and $75K event budget, tracking actual spend against forecast and adjusting as needed.
- Negotiated and managed 22 sponsorships across 6 markets, building renewal cases from year-one performance data; handled venue agreements and vendor negotiations and kept certificates of insurance (COI) current for event vehicles and spaces.
- Contributed to 42% year-to-date social follower growth.
- Scheduled, trained, and directed part-time event staff for on-site execution at 91 activations annually.
- Reported performance to leadership and cross-functional partners, turning activation and lead data into renewal and expansion recommendations.

Experiential Marketing & Brand Activations Associate (Part-Time) — Jun 2018 – Oct 2023

Monster Energy — Tampa, FL

- Executed 100+ national brand activation and sampling events for Monster Energy and Reign Total Body Fuel, generating consumer trial through experiential engagement.
- Built and maintained key account and retail partner relationships to support sales lead generation across assigned markets.
- Managed on-site logistics, inventory, and program assets across motorsport, retail, and community activations, and selected field routes for guerrilla sampling.

Casino Host — Jun 2018 – Dec 2019

Hard Rock Casino — Tampa, FL

- Used player tracking and player worth reports to decide which guests received comps and offers.
- Decided guest eligibility for complimentary offers, event invitations, and event access.
- Managed invitation lists, RSVPs, and follow-up for VIP events.
- Built and maintained relationships with VIP casino guests to drive incremental visits and strengthen property loyalty; reached out to inactive players to bring them back, within strict gaming compliance standards.
